Vastu Opinion or Evaluation

Buying a new property or evaluation of existing property

Investment in the property is a big decision. It is very illiquid. Choosing the right property which supports your future life goals is a must before you sign a paper on the dotted line. The new home should not become a challenge for you.

Vastu opinion/Evaluation report will include

- A. Vastu findings of the site indicating positive and negative placements in the premises
- B. Vastu Suggestions after analyzing a plan. It includes suggestions on changes required in the space.
- C. Notes on Vastu Corrections as well as remedies–Few simple remedies and corrections to align the energy of the house with the Vastu elements.
- D. Vastu Strength about the site. This is a Vastu score of the property which may be A+, A, B+, B, C+, or C. This rating can be improved by following the recommendations given in the Vastu report.
- E. Vastu Opinion about the site.
